# WHAT MAKES US DIFFERENT?

## COMMUNITY-CENTRIC APPROACH:

While most security companies focus solely on businesses, we take pride in **integrating community** security into everything we do. We recognise the importance of local safety and design our solutions to protect not just businesses but entire neighbourhoods.

Our commitment extends to **building more resilient communities for everyone.**

## INNOVATIVE SECURITY SOLUTIONS:

We are pioneers in implementing **cutting-edge technologies** such as **SMART AI surveillance, real-time monitoring, and AI-driven crime prediction tools.** Our proactive, tech-forward approach enables us to prevent incidents rather than just respond to them.

We **continuously innovate** to stay ahead of emerging threats, and our AI-powered crime prevention systems exemplify this **forward-thinking strategy.**

## TRUST OUR BUSINESS TO WATCH YOURS!

# WHAT MAKES US DIFFERENT?

## COMPREHENSIVE COVERAGE:

We go beyond conventional security services, offering **personalised safety audits, full-scale crime prevention plans** and **tailored solutions** for businesses, residential areas, and large public institutions. Whether you need a small-scale security system for your home or a comprehensive, multi-layered solution for a corporate environment, we have the expertise and resources to deliver.

We also specialise in **vehicle tracking** and **armed response**, catering to a wide range of clients, from individuals to major industries.

## SECURITY THAT'S ALWAYS EVOLVING:

Security is never static, and neither are we. Our continuous investment in **training, technology** and **client relationships** ensures that we remain at the forefront of industry standards and service excellence. As new threats emerge, we **adapt** and **refine** our methods to stay ahead, always protecting what matters most.

## SUSTAINABILITY & SOCIAL RESPONSIBILITY:

We don't just provide security, we invest in the communities we protect. Through local initiatives and partnerships, we give back and strengthen community bonds, **creating safer spaces for everyone**. Our commitment to social responsibility drives us to engage in projects that have a lasting impact on both security and the well-being of our communities.

## LEADERSHIP YOU CAN TRUST:

At Mapogo A Mathamaga, you're not just another client. Our leadership team is hands-on, accessible and deeply involved in every aspect of our operations. With a wealth of industry experience, our **leaders ensure that our service consistently meets and exceeds expectations**.

# ARMED RESPONSE

At **Mapogo A Mathamaga Security**, we believe security should be fast, reliable and effective. Our dedicated armed response teams are **available 24/7 to protect** homes and businesses.

- When an alarm or panic button is activated, our monitoring centre immediately dispatches a highly trained officer.
- The officer conducts a thorough perimeter inspection and assesses the situation.
- In the event of a break-in, the officer secures the premises, notifies SAPS and detains any suspects until law enforcement arrives.
- Every response is documented and incident reports are available on request.

With Mapogo A Mathamaga Security, you can trust that help is always on the way when you need it.

# GUARDING SERVICES

Every business and property has unique security needs.

**At Mapogo A Mathamaga Security**, we tailor our guarding services to provide reliable, professional and proactive protection.

- **Site-Specific Guards:**  
Every guard is trained according to the specific security requirements of the site.
- **Professional Appearance:**  
Guards are inspected before duty to ensure they meet strict uniform and grooming standards.
- **Reliable Deployment:**  
Guards are transported to and from their posts, ensuring full coverage and seamless shift transitions.

## WHY CHOOSE US?

- **Risk Assessments:** Before deployment, our commercial security advisors conduct a full risk assessment to identify and eliminate vulnerabilities.
- **Regular Training:** Guards receive continuous training on the latest by-laws and security protocols.
- **PSIRA-Registered Guards:** All security personnel are legally certified, ensuring compliance and professionalism.
- **Ongoing Supervision:** Daily site visits, weekly area manager reports, and monthly risk assessments keep security operations running smoothly.
- **Technology Integration:** We utilise live camera monitoring and patrol tracking to ensure guards remain active and alert.
- **Client-Focused Approach:** A detailed client questionnaire is completed before a contract begins to ensure all security expectations are met.

# OFFSITE MONITORING & CCTV SURVEILLANCE

Security is no longer just about reacting, it is about prevention and early detection. Our **offsite monitoring and CCTV solutions** provide real-time surveillance, helping to deter criminal activity before it occurs.

- **Advanced Detection:** Our system immediately alerts controllers when unusual activity is detected.
- **Live Monitoring:** Remote surveillance provides full-area coverage, unlike static security patrols.
- **Incident Response:** Operators follow standard security protocols to verify threats and take appropriate action.
- **Business Benefits:** CCTV also supports operations management, health and safety compliance and staff supervision.

With Mapogo A Mathamaga's security offsite monitoring, you can identify threats before they happen.
